The seventh annual Military Culinary Competition will take place at Marine Barracks 8th & I on the 25th of September. Once again this completion will be taking place during the Barracks Row Oktoberfest. There will be an organizational meeting for the Culinary Competition on the morning of 24 September at the Marine Barracks. Participants in the Competition are welcome to attend the Food Service Seminar the day before the Competition. New this year is the opportunity for MWR Chefs to compete in the Military Culinary Competition. The MWR competition will run in conjunction with the active duty competition. Four slots are available and teams of four may sign up for a slot or individuals may sign up and be put onto a team. There will be fantastic prizes for the winning MWR team including a trip to Tyson University.

This mystery basket competition pits the best military cooks in the Department of Defense against each other, and now the MWR cooks can get in on the fun as well!

Cooking starts at 0730 and continues throughout the day.

The awards presentation will take place at 1700. Register at www.mha1.org by 1 September.
